

Compounding Pharmacy Email - Request to Meet for a Customization

To: Dr. [FirstName] [LastName]
Subject: I'm Near Your Place on Thursday. Will You Be In Your Office?
From: [SFirstName] [SLastName]

Hi Dr. [LastName],

Last week we had a chance to share the white paper on our online prescription pads and how easy they were to use.

Next week I'd like to stop by and show you how easy they are to integrate with your current service. We work with most systems, and our IT team is happy to customize our APIs to work with any unique customization.

I want to show you what we can do for you.

We've taken all the headaches out of compounding decisions. We conform to United States Pharmacopeia (USP) and are active members of the American Association of Pharmaceutical Scientists. The Pharmacy Compounding Accreditation Board (PCAB) accredited us, and we maintain a rigorous review process with them which lets us incorporate new scientific breakthroughs while holding our pharmacists to current standards.

Can we meet on Thursday?

Sincerely,

[FirstName]
